**Ashiana kids  
don't just  
learn things  
by heart,  
they learn  
to follow  
their heart.**

Children when encouraged to follow their heart, can excel at anything they set their minds to. One might be destined for the Wimbledon, while another could be gifted in the arts. It is up to us to equip them with the right skills and tools to find out for themselves. Children with a fair idea of what they want to achieve in life, grow up to be well-rounded individuals. And with that thought, we have designed Ashiana Anmol with several amenities to inculcate diverse interests.

**Cooking**

**Open Air Theatre**

**Skating Rink**

**Dance**

**Reading Hub**

**Inspiring  
kids to  
unlock  
their true  
potential.**

We at Ashiana Anmol, believe that creating the right 'mahaul' is key to guiding children in their growth journey. Not only the Learning Hub, but the kid-centric world here also features amenities specifically designed to stimulate holistic development of intellect, creativity, self-expression and confidence.

Ashiana Anmol creates a physically stimulating environment where your children engage in real sports and forget about all their gadgets and shows. It is a truly transformative environment where children learn teamwork, competitiveness, and not only the art of winning, but even to accept defeat with grace.

**A world-class  
pool and a  
professional  
coach.**

Is all you need to bring up a champion in your backyard. Here, you and your children can take a dip into a rewarding activity that combines physical and mental fitness with great fun.

## A fun zone for toddlers and the building blocks for childhood.

We have combined fun and learning at the playroom, with stimulating toys and games that aid early development. And we all know that smart and playful engagement with children is a great booster for their development.

## Learning to make nature feel at home with us.

Ashiana Anmol has landscaped greenery, water bodies and walking trails. It's a habitat that stimulates and inspires your child to interact and bond with nature.

**Let your child  
discover their  
passions and  
acquire an edge,  
early in life.**

One child has a natural talent for dance, while another is a music maestro and so on. At the Learning Hub here, every child can explore their true passions and make their mettle shine. Every child brought up here will not only learn to get ahead in life, but more importantly, how to find their own way. Bringing Ashiana's kid-centric vision to life.

## **Live & Learn: A programme you'll wish you had as a child.**

The amenities make for just half of the story. The rest are the activities for children under the Live & Learn Programme led by a Learning Hub manager and supported by specialised coaches for each activity. We have a pre-planned activity calendar for each month to keep our children positively engaged. The programme systematically exposes them to a balanced mix of left brain-right brain activities such as music, dance, theatre, art & craft, painting, spoken English, sports, martial arts and various other age-appropriate activities for well-rounded development. There is always an event or a workshop or a special interest club or even a competition in progress here.

**Rejuvenate,  
relax and  
reboot.**

Not only the children, but even you will get your own recreational spaces. The Clubhouse here has all the finest amenities, where you can unwind over a game of billiards or simply hang out with friends and make new ones every day. So that while your children are discovering new passions, so are you.

**Hassle-free  
living thanks  
to the Ashiana  
Maintenance  
Services.**

The life here will let you relax and spend maximum time with your family, without worrying about anything else. Because the Ashiana Maintenance Services takes care of everything else. The staff is experienced, professional and highly efficient with a sense of responsibility. They will make you forget about housekeeping duties such as daily cleaning, garbage management, upkeep of common areas, plumbing, electricity management and maintenance of lawns.

“The children of Ashiana Anmol are very different from children living elsewhere, because the environment here is very enriching. At any given time, there is so much happening here, that we fear missing out on something or the other if we step out to go somewhere.”

**Tapasvini, Pragnyananda & Prasheetha Panday**  
Residents, Ashiana Anmol

“For us, Ashiana Anmol was a perfect choice. The kids’ school, DPS, is virtually next door. Anmol gave us great infrastructure, great maintenance, great lifestyle, and a great safe environment for our kids. And, with the Learning Hub located inside the campus, kids don’t have to travel for activities.”

**Kalpesh, Rajni, Divij & Uday Soni**  
Residents, Ashiana Anmol

## Kid-centric parents prefer Kid Centric Homes.

“Anmol fitted in to our budget, and our dreams seemed to fit in to it. What drew us to Anmol, was the fact that a kid-centric world was being created here with a Learning Hub for children, and many other activities. Our kids’ school is also nearby, so we won’t have to change schools when we move in.”
